Plagiarism and Collusion are methods of cheating for the purposes of Monash Statute 4.1 - Discipline.

Plagiarism
Plagiarism is the presentation of work which has been copied in whole or in part from another person’s work, or from any other source such as the Internet, published books or periodicals without due acknowledgement given in the text.

Collusion
Collusion is the presentation of work which is the result in whole or in part of unauthorized collaboration with another person or persons.

Where there are reasonable grounds for believing that cheating has occurred, the only action that may be taken when plagiarism or collusion is detected is for the staff member not to mark the item of work and to report or refer the matter to the Dean. This may result in work being disallowed and given a fail grade or if the circumstances warrant, the matter may be referred to a Committee of Inquiry for investigation. Such investigation may result in the matter being referred to the University Discipline Committee which has the power to exclude a student.

The information on this form is collected for the primary purpose of assessing your assignment. Other purposes of collection include recording your plagiarism and collusion declaration, attending to administrative matters and statistical analyses.
