

The 23rd IEEE International Conference on Advanced Information Networking and Applications (AINA2009)

THE HIGHLY COMMENDED PAPER AWARD

“Network Voronoi Diagram Based Range Search”

Kefeng Xuan, Geng Zhao, David Taniar, B Srinivasan, Maytham Safar and M. Gavrilova

This is to certify that paper entitled

“Network Voronoi Diagram Based Range Search”

written by Kefeng Xuan, Geng Zhao, David Taniar, B Srinivasan, Maytham Safar and M. Gavrilova

is selected as the Highly Commended Paper

of the 23rd IEEE International Conference on Advanced Information Networking and Applications (AINA2009),
University of Bradford, Bradford, UK, May 26 - 29, 2009.

AINA 2009 General Co-Chair
Irfan Awan

AINA 2009 General Co-Chair
Arjan Durresi

AINA 2009 Program Co-Chair
Muhammad Younas

AINA 2009 Program Co-Chair
